Attn: David Garr, Senior Campaign Finance Analyst  
Reports Analysis Division

Dear Sir:

This letter responds to the FEC letter dated June 11, 2014 to Gun Owners of America, Inc. ("GOA") requesting that the amended 24-Hour Report (2/21/14) filed on February 26, 2014, which was filed on paper by fax, be resubmitted in electronic format. Today, I electronically filed the amended 24-Hour Report (2/21/14) as requested.

On Saturday, February 22, 2014, I had to file a 24-Hour Report (2/21/14) for GOA. After repeated attempts, I was unable to file this report using the FECFile software. (I have used the FECFile software in 2010 and 2012 to file 24-Hour and 48-Hour Reports for GOA and other organizations.) I then attempted to file the 24-Hour Report using the FEC Online Webform. Again, after repeated attempts on two different computers, it appeared to me that the FEC Online Webform also did not work correctly in order to file the required report. As it was a Saturday and I was unable to electronically file the required report, I filed the 24-Hour Report on paper by fax. However, it appears that one of my attempts to file the report using the FEC Online Webform apparently worked, although I do not recall, and my records do not indicate, that I received an e-mail or fax receipt confirmation from the FEC regarding this filing.

After spending several hours on February 22, 2014 attempting to file the 24-Hour Report (2/21/14) using the FECForm software and the FEC Online Webform, when additional information came to my attention on February 26, 2014, which required me to file an amended 24-Hour Report, I filed the amended 24-Hour Report (2/21/14) on paper by fax on February 26, 2014.

Sincerely yours,

Walter J. Olson
